

LOAD RESTRAINT For Light Commercial Applications

How does the Load Restraint in your ute or company vehicle comply?

Under the new C&E Legislation, you need to ensure that your employees, drivers and sub-contractors (anyone who drives a company vehicle) is trained using the correct load restraint techniques and are not overloading vehicles. Penalties can apply to all accountable parties.

\$ \$165.00 per person (GST Exempt)

DURATION Half Day (4-5 hours)

Participants are encouraged to supply company vehicles for the practical exercise.
